WAYNE COUNTY 4-H

4-H is the Cooperative Extension System’s dynamic non-formal educational program for today’s young people. The program partners the cooperative efforts of youth, volunteer leaders, state land-grant universities, state and local governments, 4-H Foundations, and the Cooperative State Research, Educational and Extension Service of the US Department of Agriculture.

These partners are working across the country to assist youth in developing knowledge, skills and attitudes that will enable them to become productive and contributing members of society. 4-H impacts youth from all ethnic, racial, and socio-economic backgrounds who live in rural, suburban, and urban communities. As we prepare to celebrate the Centennial of 4-H in North Carolina in 2009, let’s take a look at how Wayne County 4-H is shaping the leaders of tomorrow...

HEAD  HEART  HANDS  HEALTH
