

Mission Statement

The mission of the North Carolina Extension and Community Association Inc. is:

To Strengthen Families and Communities through

- ◆ Leadership Development
- ◆ Community Action
- ◆ Educational support through research-based education from North Carolina State University and North Carolina A&T State University

~~~~~

As we begin a new year 2018, let us all start by learning new things and ways as we have our educational programs and hands on learning times. Remember to Eat Local Eat Healthy and do reports about what you are doing to carry this out. Eating in local places that use local foods is so important. Share pictures you take at farmers markets, roadside stands and your own garden. Report how you are doing your garden and where.

We also have the Boys and Girls Home at Lake Waccamaw that we help support. We have an additional list, which is in your yearbook of their needs. These cover general needs as well as baby needs and the bedroom donation list. Let us not forget these children. This has been and is an ongoing project.

With the hurricanes we have had this year, we don't want to forget the "Water Around the World" project. We can give to this project any time. NVON is sending filters to Puerto Rico as I write this.

We are back on schedule to have our State Meeting on October 29-31 at the Ramada Inn in Nags Head. I know this is a long way for some, but start saving and planning to attend now. The Northeast District is hosting this meeting, so let's show them our support and be there. Thanks to all for attending the State/NVON last year in Raleigh and to those who worked so hard to make it a success.

Please remember to record your volunteer hours as they help in so many ways. What would our state be without all we do by volunteering? You may not think what you do is that important, but you never know what help and joy you bring to others.

Thank you for letting me be your president for last year and this. I am enjoying every minute of it. It is great to meet with you and hear and see what you are doing across this wonderful state. If I can be of any help to you please feel free to call me.

## **Pennies For Friendship**

*Pennies for Friendship* provides a way for each individual member of societies to take an active part in the work of ACWW. By contributing to Pennies for Friendship, each member promotes world friendship, understanding and goodwill. "***Pennies for Friendship***" is a major source of the income to carry out the work of ACWW. NCECA urges members to participate in this activity

This voluntary fund is the lifeblood of ACWW. Within ACWW nothing functions without these **Pennies** – ACWW projects administration, United Nations links, Officers' Conferences, and the Countrywoman Magazine, are all supported by Pennies for Friendship.

ACWW depends totally on our generosity to enable the continuation of vital work on behalf of women striving to improve the quality of family life in rural areas, and is grateful for all donations given in Friendship and support of the work we are all doing together:  
ACWW works with women worldwide!

In addition to the collection taken at our State Meeting, Clubs, Counties and District ECA groups can collect at each of their meetings. Fund-raising events can be held on ACWW Day, April 29 of each year.

**Give Generously – Every Penny Counts!**

## **Community Service Projects**

One of the most satisfying, fun, and productive ways to make a difference in your community is to volunteer through community service projects. While this list is not by any means complete, these are some that are a statewide initiative of NCECA.

- Victory Junction
- Boys & Girls Homes of NC
- Ronald McDonald House (soda tabs)
- Military Coupons
- Partners Against Trafficking Humans (PATH)

Other opportunities:

- Warm Up America
- School programs, i.e. supplies, lunches, clothing, books, back pack buddies, etc.
- Sewing projects for cancer patients and shut-ins, i.e. afghans, mastectomy pillows, cozy caps, etc.
- Partnering with other agencies, i.e. personal hygiene kits for Red Cross, battered family centers, bears, therapy dolls, activity aprons, Foster Care
- Any special projects relative to you community
