## North Carolina 4-H Enrolling in 4HOnline

### INSTRUCTIONS

## **4-H AFTER SCHOOL ENROLLMENT MUST BE SUBMITTED ONLINE IN ORDER FOR YOUR CHILD TO ATTEND!!!**

### **SETTING UP A PROFILE**

You will be required to set up a family profile on 4HOnline, the one-line N.C. 4-H Enrollment and event registration program. The family profile will be where the members (Youth) will be enrolled. The website can be found at <https://nc.4honline.com>

**1** To Create a family profile, select I need to setup a profile, complete the fields and click create login.

What happens if it says User account already exist? This means a family profile exists with that email address because your child was already enrolled through their local Extension Office. Select “I forgot my password” and a new password will be emailed to the email address on file. Please do not create a 2<sup>nd</sup> account! Then follow the steps on the tip-sheet, Re-Enrolling in 4hOnline.

**2** Follow the instructions on the Family information page and click Continue. **SET UP ONLY ONE (1) FAMILY PROFILE PER HOUSEHOLD!**

After adding the family, add your children you wish to enroll in the 4-H After School program to that family profile. Use **Youth** as type of membership. The next pages are authorization releases and health forms for risk management. These are important to have completed in case of an injury at the 4-H after school program. If you have questions or concerns filling out the forms, contact our office.

When adding a club, select the 4-H after school club from the drop down and click “Add Club” button to save the selected club. Each youth must have a club marked in order to be enrolled. Repeat the same steps to choose your project. The project to select is leadership development.
