INSTRUCTIONS:

Enrolling in 4HOnline

Re-enrollment

If you have previously enrolled, use the same email to login and update your child's information.

SETTING UP A PROFILE

You will be required to set up a family profile on 4HOnline, N.C. 4-H Enrollment and event registration program. The family profile will be where the members (Youth) will be enrolled. The website can be found at: <https://v2.4honline.com/>

1 Go to <https://v2.4honline.com/> Click “**Don’t have an account?**” If you have never enrolled in 4-H before using 4Honline.

NOTE: *Your family profile must be associated with a valid email address. This will be your login and you will receive communications to this address. It will also be the email address where a password reset will be sent, if needed. The email you provide can only be associated with one family profile. If 4Honline does not accept your email address, you may already have a 4Honline family account. Contact our office for assistance.*

2 Select **North Carolina** from the drop down menu. Select “**N.C. 4-H and Youth Development**” for the Institution.

3 Select your county “**Wayne**” from the drop down menu. NOTE: When selecting your county, you are choosing the 4-H program in which your family will participate. Click “**Continue**”.

4 Complete your family's information. Required fields are marked in **red** and must be completed to move to the next screen. If you have mistakenly chosen the wrong county just hit the back button to adjust it before moving on to the next screen. Click the “**Create Account**” button

NOTE: *An email account can only be associated with one family profile. If you enter an email address that is already associated with a 4HOnline profile, you will see an existing family profile message. Click the “Confirm” button and continue to log in to the existing account. See instructions for logging into an existing family account.*

5 Enter your family's address information and click “Verify”. The verification process may require you to select an appropriate USPS format. After the address is verified, your family profile has been created! You will receive an email confirming your family profile. The next screen will allow you to add the first member to your family.

6 After adding the family, add your children you wish to enroll in the 4-H Summer Day Camp to that family profile. Use **Youth** as type of membership. When **adding a club**, select the **4-H Summer Day Camp** from the drop down and click “**Add Club**” button to save the selected club. Each youth must have a club marked in order to be enrolled. Repeat the same steps to choose your project. The project to select is a project of your interest.

7 The next pages are authorization releases and health forms for risk management. These are important to have completed in case of an injury at the 4-H Summer Day Camp program. If you have questions or concerns filling out the forms, contact our office.

**When you complete the registration process
– click “Submit Enrollment” to send your
child's
4-H Enrollment to the 4-H office for
activation and enrollment**
